About the Project

Typically only seen at private clubs and learning centers, the new Youth Golf Development and Short Game Center at Sunset Valley Golf Club will feature:

- Fairways, rough areas, and bunkers that replicate the golf course at Sunset Valley allowing for practice shots up to 50 yards.
- Synthetic Turf Hitting Stations for longer shot.

Your sponsorship of the grand opening event will help the Parks Foundation fund additional features to this new unique youth golf development center including nets and a walking path from the clubhouse.
